Our Sources:

To the best of our knowledge, the following individuals were responsible for recording the Ice-Out dates* referenced here:

1886-1899: The Henry Family of Minett

1900-1919: Captain John Rogers of Port Sandfield

1920-1930: Victor Croucher, Lake Joseph

1931-1945: Keith Croucher, Lake Rosseau

1946-2006: Cecil Frazer, Port Carling

2007- 2018: Robert Goltz, Windermere Area Archive, Lake Rosseau

*Not all Ice-Out dates were recorded in the same location or used the same methodology. Over 132 years, there were 5 years in which we could find no recorded Ice-Out date. Those years were not included in the calculation of the average Ice-Out dates.
